## Industrials slip in dull post-holiday trades...

It was a dull session post the Africa Day holiday as the ZSE registered a subdued trading session in which all activity aggregates trended south. A mere 101,908 shares exchanged hands across the board and yielded \$0.061m in values for the day representing respective declines of 93.79% and 83.10% to the aggregates. Only eight counters were active today mostly exchanging thin trades as Delta was the pick of the day anchoring both volumes and values having claimed 81.43% of the former and 96.90% of the latter aggregate. Turnover disaggregation by investor type reflected a wholly local contribution on the demand side while foreigners drove the bulk of the disposals having accounted for the entire sales in Delta.

Of the eight active stocks, three traded softer compared to only one riser to see the market to a negative breadth of two counters. The declines saw the Industrial Index come off 0.11% and settling at 105.12pts. Dragging the market down was FMCG conglomerate Innscor that came off 4.55% and settled at \$0.2100 as the stock slowly re-rates post the unbundling of the specialized retail business Axia. Losses were also seen in FBCH and Padenga that succumbed 1.52% and 1.07% to close at \$0.0650 and \$0.0742 respectively. Beverages Giant Delta was the sole gainer of the day on a 0.35% advance to \$0.7200 though demand looked weak as the stock closed offered at the same level. Meanwhile, the Mining Index was flat at 25.54pts as there was no activity in the cluster.
